

Application No.: 10/621,892
Docket No.: SO0008US

Page 10

REMARKS

The application is amended to insert the publication number of a co-pending application and to correct obvious errors in the claims.

Claim 14 is amended to depend on claim 3, since it was identical to claim 13.

Claim 17 is amended to correct an obvious grammatical error.

Claim 21 is amended to correct an obvious error. Namely "at least" is inappropriate since a range is recited.

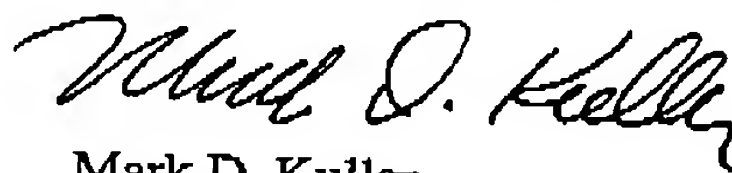

Claims 22, 25 and 29 are amended to correct grammar.

Claim 36 is amended to depend from claim 35. The amended claim is supported at page 20, lines 20-26.

Claims 30-39 are amended so that they have proper antecedent basis from claim 1. Claim 1 recites "A poly(trimethylene-ethylene ether) glycol."

Entry is respectfully requested.

Respectfully submitted,

Mark D. Kuller
